Switzerland	O
Other Countries	21
Subtotal	3732

a. Because the documents used in compiling the figures in this table were numerous, listing of all documents would not be practicable. Figures for all countries except Austria and West Germany came from State Department cables and despatches. Figures for Austria and West Germany came from Der Aussenhandel der Bundesrepublic, and Statistic des Aussenhandels Asterreichs.

Prepared by OIR/DFI, Department of State.
